

## Regulation (EU) 2017/745 of the European Parliament & of the Council

This declaration applies to all products sold by tvONE.

All tvONE products are designed and manufactured in such a way as to reduce substances or particles from being released from the device.

### All tvONE Products

- Are NOT invasive nor come into direct contact with the human body
- Do NOT (re)administer medicines, body liquids or other substances, including gases to/from the body
- Do NOT transport or store such medicines, body fluids or substances, including gases, to be (re)administered to the body

Therefore the list of prohibited substances referenced in Section 10.4.1 of the Regulation does not apply.
