

CORIO®master App

The CORIO®master App is a free application for smartphones and tablets that extends the control of CORIO®master video walls onto mobile platforms. With the new App, users now have access to the powerful video wall processing systems in the palm of their hands.

Features:

- Execute all simple control functions with ease
- View all canvases
- View 'source to window' assignments
- Activate presets
- Switch inputs
- Assign fresh sources to windows
- Send single or command chains using API commands set
